To

The Municipal Commissioner, BMC/CMC/
E.Os of all ULBs/Development Authorities/
Regional Improvement Trusts/Special Planning Authorities
SUDA/NIHM.

Sub : **Membership Fees Structure of City Managers Association, Orissa for the year 2004-2005.**

Ref : **This Deptt. Letter No.20142/HUD., Dated 27.08.2005.**

Sir,

As you are aware, City Managers' Association, Orissa has been striving towards good governance and citizen friendly urban reforms in the State of Orissa. Thus, the City Managers Association, Orissa is coordinating with ULBs and the State Govt. to strengthen the urban management system in Orissa. The CMAO has started partnering with USAID FIRE (D) for introduction of double entry accounting system in the Urban Local Bodies. This has become extremely important and urgent in view of the instructions of Ministry of Urban Development, Govt. of India. Secondly, the CMAO has started implementing some schemes for energy conservation with the help of different funding agencies. Thirdly, the CMAO will be taking up a training programme of woman Councillors in phases with the financial help of Govt. of India. This would be taken up as soon as Govt. of India sanction the Scheme. Apart from these activities, CMAO would be helping Government in devising a performance tracking system by which the performance of Urban Local Bodies would be assessed objectively and regularly. All this will not be possible, unless all the members pay their membership fees regularly.

I would like to request you to pay membership fees to City Managers Association, Orissa by 31.10.2006 in respect of your organization. In this connection, kindly refer to the enclosed statement on Membership fees for the financial year 2004-2005, and pay your membership fees as quickly as possible.

Yours faithfully,

Special Secretary to Government.
