Sub: Membership Fees for City Managers' Association Orissa for the year 2006-07

Madam / Sir,

As you are aware, City Managers' Association Orissa (CMAO) is the Network of Local Government & Authorities for Sustainable Urban Management & Human Settlement in Orissa. Since 2002, CMAO has provided technical and management assistance, training, and information resources to its members and the local government community from small towns with populations of a few thousand to bigger cities serving several thousands.

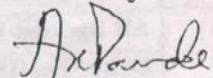

Over the years CMAO has acted as the professional and educational organization for Local Governments & Authorities. It has successfully built the network with national & international cities and their associations for sharing of Best Practices. To know more about CMAO and its activities, please login to <http://www.orissa.gov.in/cmao>.

CMAO will continue its support to all Local Governments & Authorities in improving the performance of services delivery and achieving Good Governance. However, all this will not be possible, unless all the members pay their Membership fees on time for efficient functioning of CMAO.

You are therefore requested to pay the membership fees to City Managers' Association Orissa by 1st March 2007 in respect of your institution. The membership fees need to be sent to CMAO in shape of Bank Draft in favour of "City Managers' Association Orissa" payable at Bhubaneswar. Kindly refer to the enclosed statement on Membership Fees for the financial year 2006-07, and pay your membership fees as quickly as possible.
